**Francotheque: a Resource for French Studies** Open University Open University 2017-06-30 "Francotheque" seeks to provide a French-language resource for undergraduate students of French. Direct access to contemporary French culture and society is offered through carefully selected authentic texts and a comprehensive overview of France and the French is provided under six broad headings - history, multicultural society, media, the arts, science and technology, the Francophone world - through press articles, historical documents, photographs, posters, advertisements, statistics, poems and songs. Each section starts with an introduction. The authentic texts are accompanied by vocabulary notes, and where appropriate, explanations filling in cultural background. One of the features of the book is the "sujets de reflexion", which provide pre-reading stimulus, thus suggesting a particular context of focus from which to approach many of the contexts.

**Country and Cozy** gestalten 2021-11-16 Turning away from traffic-choked streets and onto meandering country paths, urban residents increasingly are choosing to take up residence in greener pastures. Quiet

and quaint, the countryside comes with its own pace of living - and depending on where you are, its own regional flair. *Country and Cozy* opens doors and pulls back the floral curtains to reveal a more characterful approach to interior design and decoration. Whether it's a converted outhouse in the south of France, a Latin American Finca, or a whimsical English cottage complete with a thatched roof, *Country and Cozy* showcases a series of beautiful country homes and illustrates how their inhabitants have created breathtaking living spaces that make the most of rural life.

Barron's Learn French the Fast and Fun Way Elisabeth Bourquin Leete 2002

#### **New First Certificate Gold 2004**

*Instant French* Elisabeth Smith 1998 Aimed at adult learners who want to speak French immediately in a business context, on holiday, or just for fun, this text employs a carefully structured method which targets only the most important vocabulary and grammar. It aims to get the student speaking straight away on only 35 minutes of daily study. Flashcards and exercises maximize the retention of structures and encourage the learner to speak and listen with confidence. A cassette is available separately or it can be purchased along with the book as part of a pack.

**Violent Ward** Len Deighton 2022-01-06 If America is a lunatic asylum, then California is the Violent Ward. Mickey Murphy is a criminal lawyer with an office in LA's downtown low-rent district, an ex-wife who bleeds him for money and 'clients who would plead the Fifth Amendment if they could count that high'. To make matters worse, Mickey finds himself embroiled against his wishes in an elaborate and clever scam that's going askew, and being interrogated by the LAPD about a brutal murder. With an observant eye and ear for the California 'scene', Deighton once again uses his brilliant storytelling skills to propel an exciting and suspenseful narrative at breakneck speed to a dramatic climax in a riot-torn city.

*Quilt Blocks and Quilts from Your Favorite Fabrics* Kate Perri 2008-11-01 *Easy Quilts from Your Closet* is a guide to making the most of the fabrics you love. Quilting is a great way to recycle T-shirts, blue jeans, neckties, pj's , and even prom dresses—to give old favorites a quick and cozy

makeover. These fifteen projects teach three of the most basic quilting techniques: patchwork piecing, foundation piecing, and applique. Readers learn how to “deconstruct” their favorite garments and then reconstruct the pieces to form the small individual blocks that are stitched together to form a quilt. Block by block, they’ll learn how to make quilt tops and “sandwiches” and then decoratively stitch their surfaces by machine—with straight lines or freeform shapes. They’ll also learn how to assemble blocks to make three full sampler quilts, adding sashing, binding, and designer labels.

Great Expectations / Большие надежды. Книга для чтения на английском языке Чарльз Диккенс 2022-05-15 Чарльз Диккенс – всемирно известный английский писатель, создатель множества живых образов. Роман «Большие ожидания» продолжает тему становления молодого человека. Диккенс рассказывает историю Пипа, мальчика-сироты из бедной семьи, которому выпадает шанс стать «настоящим джентельменом», историю о том, как случайная встреча может изменить всю жизнь. Диккенс часто объявлял стремление выбиться в «приличное» общество проклятием страны, делающим людей рабами бездушной системы. Но возможность простого счастья и простых радостей существует, как существуют в романе герои, олицетворяющие собой доброту и достоинство. В книге представлен неадаптированный сокращенный текст на языке оригинала, снабженный комментариями и словарем. В формате PDF A4 сохранен издательский макет.

*When The World Spoke French* Marc Fumaroli 2011-06-14 A New York Review Books Original During the eighteenth century, from the death of Louis XIV until the Revolution, French culture set the standard for all of Europe. In Sweden, Austria, Italy, Spain, England, Russia, and Germany, among kings and queens, diplomats, military leaders, writers, aristocrats, and artists, French was the universal language of politics and intellectual life. In *When the World Spoke French*, Marc Fumaroli presents a gallery of portraits of Europeans and Americans who conversed and corresponded in French, along with excerpts from their letters or other writings. These men and women, despite their differences, were all irresistibly attracted

to the ideal of human happiness inspired by the Enlightenment, whose capital was Paris and whose king was Voltaire. Whether they were in Paris or far away, speaking French connected them in spirit with all those who desired to emulate Parisian tastes, style of life, and social pleasures. Their stories are testaments to the appeal of that famous “sweetness of life” nourished by France and its language.

*The Private Heinrich Himmler* Katrin Himmler 2016-03-08 At the end of World War II, it was assumed that the letters of Heinrich Himmler were lost. Yet sixty years after Himmler's capture by British troops and subsequent suicide, the letters mysteriously turned up in Tel Aviv and, in early 2014, excerpts were published for the first time by the Israeli newspaper Yediot Aharonot providing a rare, if jarring, glimpse into the family life of one of Hitler's top lieutenants while he was busy organizing the mass extermination of the Jews. It was generally held that Himmler, once appointed head of the SS, blended seamlessly into the Nazi hierarchy. The image that emerges, however, is more subtle. Himmler is seen here as a man whose observations can often be characterized by their unpleasant banality; a man whose obsession with family life ran alongside a brutal detachment from all things human, a serial killer who oversaw the persecution and extermination of all Jews and other non-Aryans, and those opposed to the regime. His letters remove any doubt that he was the architect of the Final Solution, and a man who was much closer to Hitler than many historians previously thought. The letters in this edition were arranged by Katrin Himmler, the great-niece of Heinrich and Marga Himmler while Michael Wildt, a renowned expert on the Nazi regime, provides historical context to the letters and their author. The entire work was translated by Thomas S. Hansen and Abby J. Hansen.

**Effortless E-Commerce with PHP and MySQL** Larry Ullman 2010-10-21 In this comprehensive guide to creating an e-commerce Web site using PHP and MySQL, renowned author Larry Ullman walks you through every step—designing the visual interface, creating the database, presenting content, generating an online catalog, managing the shopping cart, handling the order and the payment process, and fulfilling the order—always with security and best practices emphasized along the way. Even if you're an experienced Web developer, you're guaranteed to learn something new. The book uses two e-commerce site examples—one based on selling physical products that require shipping and delayed payment, and another that sells non-physical products to be purchased and delivered instantly—so you see the widest possible range of e-commerce scenarios. In 11 engaging, easy-to-follow chapters, *Effortless E-Commerce with PHP and MySQL* teaches you how to:

- Think of the customer first, in order to maximize sales
- Create a safe server environment and database
- Use secure transactions and prevent common vulnerabilities
- Incorporate different payment gateways
- Design scalable sites that are easy to maintain
- Build administrative interfaces
- Extend both examples to match the needs of your own sites

Larry Ullman is the president of Digital Media and Communications Insights, Inc., a firm specializing in information technology ([www.dmcinsights.com](http://www.dmcinsights.com)). He is the author of several bestselling programming and Web development books, including *PHP and MySQL for Dynamic Web Sites: Visual QuickPro Guide*. Larry also writes articles on these subjects and teaches them in small and large group settings. Despite working with computers, programming languages, databases, and such since the early 1980s, Larry still claims he's not a computer geek (but he admits he can speak their language).
