Stress and Productivity Leonard W. Krinsky 1984

Cookie and Friends Vanessa Reilly 2005-01-01 A three-level, story-based course with a rich package of teacher's resource materials.

Russian Social Media Influence Todd C. Helmus 2018-04-12 Russia employs a sophisticated social media campaign against former Soviet states that includes news tweets, nonattributed comments on web pages, troll and bot social media accounts, and fake hashtag and Twitter campaigns. Nowhere is this threat more tangible than in Ukraine. Researchers analyzed social media data and conducted interviews with regional and security experts to understand the critical ingredients to countering this campaign.

Making Out in Japanese Todd Geers 2014-08-26 Making Out in Japanese is a fun, accessible and thorough Japanese phrase book and guide to the Japanese language as it's really spoken. Sugoku suki! Mata aeru?—(I'm crazy about you! Shall we meet again?) Answer this correctly in Japanese, and you may be going on a hot date. Incorrectly, and you could be hurting someone's feelings or getting a slap! Japanese classes and textbooks tend to spend a lot of time rehearsing for the same fictitious scenarios, but chances are while in Japan you will spend a lot more time trying to make new friends or start new romances—something you may not be prepared for. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use Japanese phrasebook makes this possible. Making Out in Japanese has been updated and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactions—giving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romaji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly. Explanations of basic Japanese grammar, such as intonation, word stress, and particles. A guide to male and female usage. Romanized forms of words and phrases (romaji). Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana). Useful and interesting notes on Japanese language and culture. Lots of colorful, fun and useful expressions not covered in other phrasebooks. Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

Boundaries Henry Cloud 2008-09-09 Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

Current Opinion Edward Jewitt Wheeler 1917

Growing Up Mindful Christopher Willard 2016-06-01 The American Psychological Association's 2014 survey on stress made an alarming discovery: America's teens are now the most stressed-out age group in the country. Growing Up Mindful shows parents and professionals alike how to model and teach the skills of mindfulness that will empower our youth for the rest of their lives with greater self-awareness, resiliency, and confidence. While many adults now understand how mindfulness practice helps us alleviate the stress and anxiety of our busy modern lives, getting a typical teenager on board is another story. Dr. Christopher Willard draws on his work with hundreds of young children, tweens, and teens—along with countless hours training parents, teachers, and other counselors—to make the principles and practices of mindfulness accessible, entertaining, and cool for people of all ages and interests. Features dozens of exercises to incorporate mindfulness into daily life (in class, extracurricular activities, among peers), specific meditations and movement practices, compassion training, and more.

The Rogya Abderraouf Ben Halima 2017-09 Unfortunately, we are crossing an age where these three issues: Jinn, sorcery and evil eye, are getting tremendous proportions. Sorcerers and charlatans are so numerous whereas healers following Allah's way are very rare. It is therefore our duty to alert populations against these flails, to endow them with means to protect and heal themselves as much as possible, and to train healers on Islamic practices. This is the first translation of this book, but the book is in its third edition. We thank Allah to offer English speakers this accumulated knowledge and advanced techniques, asking Him to help Muslim brothers and sisters see truth and false in this matter, protect themselves and practice Islamic healing. I hope practitioners will also join; to exchange experiences and set up common strategies to inform populations and train their peers. We will start Inshallah by a detailed symptoms description in order to help the reader set up his own diagnosis and to be aware as soon as the first manifestations appear. I will on the way, give a precise explanation of these

three phenomenon: Jinn, Sorcery and Evil Eye. Then comes the description of the matching remedies. This will not be possible for all people to apply. Some remedies are very simple and it is important that many people learn to practice them. Others require specific conditions, and some will be limited to professionals. Nevertheless, it is important that a high number get involved because needs are tremendous. Important information has been scattered throughout this book; so, those who want to take action should read it several times in order to assimilate all details.

Borderlands Biography Beata Halicka 2021-10 Beata Halicka's masterly narrated biography is the story of an extraordinary man and leading intellectual in the Polish-American community. Z. Anthony Kruszewski was first a Polish scout fighting in World War II against the Nazi occupiers, then Prisoner of War/Displaced Person in Western Europe. He stranded as a penniless immigrant in post-war America and eventually became a world-renowned academic. Kruszewski's almost incredible life stands out from his entire generation. His story is a microcosm of the 20th-century history, covering various theatres and incorporating key events and individuals. Kruszewski walks a stage very few people have even stood on, both as an eye-witness at the centre of the Second World War, and later as vice-president of the Polish American Congress, and a professor and political scientist at world-class universities in the USA. Not only did he become a pioneer and a leading figure in Borderland Studies, but he is a borderlander in every sense of the word. **Sisyphusina** Shira Dentz 2020-04-05 Poetry. Women's Studies. Art. Music. SISYPHUSINA is a cross-genre collection of prose, poetry, visual art, and improvisatory music, centered on female aging. Faced with linguistic and literary traditions that lack rich vocabularies to describe female aging, Shira Dentz uses the hybrid form as an attempt to suture new language that reflects internal and physical processes that constitute a shifting identity. By deviating from formal classical construction, and using the recurring image of a rose, SISYPHUSINA circles around conventions of beauty, questioning traditional aesthetic values of continuity, coherence, and symmetry. Some of the book's images are drawn from separate multimedia collaborations between the author and composer Pauline Oliveros, artist Kathy High, and artist Kathline Carr. A musical composition improvised by Pauline Oliveros, based on one of her text scores, titled "Aging Music," is the book's coda, and readers can listen to it online by scanning a QR code inside the book. The interweaving of these collaborations with the author's voice and voices from other sources imbue this book with a porous texture, and reimagines the boundary of the book as a membrane.

Hybrid Workplace: The Insights You Need from Harvard Business Review Harvard Business Review 2022-03-15 Reinvent your organization for the hybrid age. Hybrid work is here to stay—but what will it look like at your company? Organizations that mandate rigid, prepandemic policies of five days a week at the traditional, co-located office may risk a mass exodus of talent. But designing a hybrid office that furthers your business goals while staying true to your culture will require experimentation and rigorous planning. Hybrid Workplace: The Insights You Need from Harvard Business Review will help you adopt technological, cultural, and management practices that will let you seize the benefits and avoid the pitfalls of the hybrid age. Business is changing. Will you adapt or be left behind? Get up to speed and deepen your understanding of the topics that are shaping your company's future with the Insights You Need from Harvard Business Review series. Featuring HBR's smartest thinking on fast-moving issues—blockchain, cybersecurity, AI, and more—each book provides the foundational introduction and practical case studies your organization needs to compete today and collects the best research, interviews, and analysis to get it ready for tomorrow. You can't afford to ignore how these issues will transform the landscape of business and society. The Insights You Need series will help you grasp these critical ideas—and prepare you and your company for the future.

The ONE Thing Gary Keller 2013-04-01 • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

Lexical Teaching 2016

Neurolanguage Coaching Rachel Paling 2017-03-01 Neurolanguage Coaching is a model that brings together crucial findings in the fields of neuroscience and integrates these into a coaching process to revolutionise language learning as we know it.

Plast: Ukrainian Scouting, a Unique Story Orest Subtelny 2016-12-01 In this book, the renowned historian Orest Subtelny, who wrote Ukraine: A History, describes to us how, in 1911, a small group of teachers, whose people lived under foreign rule, at the crossroads of empires, took Baden Powell's idea, adapted it to their circumstances and formed a scouting organization for the betterment of Ukrainian youth and to provide hope to the Ukrainian nation. The organization was buffeted by history — repression, war, emigration, dispersment throughout the world — and finally found renewal in a free Ukraine. It was an amazing journey, truly a unique story.

Cook with Jamie Jamie Oliver 2007-10-02 My guide to making you a better cook. I can't tell you how long I've dreamed about writing this book. It's the biggest book I've ever done, and I've really tried to make it a timeless, modern-day classic. Whether you're a student, a young couple, an established cook, or a novice, I'll take you through a whole load of simple and accessible recipes that will blow the socks off your family and any guests you might have round for dinner. There's information on the equipment that I think you should have in your kitchen, advice on how to recognize and cook loads of different cuts of meat, as well as on how to get the best value and quality when you're out shopping. With all of us consuming more processed food than ever, it's a sad fact that most people just aren't confident enough to cook anymore. With this in mind, now is the time for you to get stuck in and reclaim your fantastic cooking heritage! You know what . . . if you're going to eat three times a day for the rest of your life, you might as well learn to cook properly and enjoy it! So roll up your sleeves and let me help you. P.S.: By the way, you should feel good about buying this book because every single penny I make from it will go toward training and inspiring young kids from tough backgrounds all over the world to have a career in food through the Fifteen Foundation. So on behalf of them, thank you.

More Making Out in Japanese Todd Geers 2013-11-21 More Making Out in Japanese is a fun, accessible and thorough guide to the Japanese language as it's really spoken. This phrasebook follows the bestselling Making Out in Japanese providing additional (and classic) phrases for travelers, including ones to help you make acquaintances, discuss likes and dislikes, share a meal, go out on the town or develop a romantic relationship. If you are a student, businessman or tourist traveling to Japan and would like to have an authentic and meaningful experience, the key is being able to speak like a local. This friendly and easy-to-use phrasebook makes this possible. More Making Out in Japanese has been completely revised and expanded to be even more helpful as a guide to modern colloquial Japanese for use in everyday informal interactions—giving access to the sort of catchy Japanese expressions that aren't covered in traditional language materials. As well as the Romanized forms (romanji), each expression is now given in authentic Japanese script (kanji and kana with furigana pronunciation clues), so that in the case of difficulties the book can be shown to the person the user is trying to communicate with. This Japanese phrasebook includes: A guide to pronouncing Japanese words correctly Explanations of basic Japanese grammar, such as, intonation, word stress, and particles A guide to male and female usage Romanized forms of words and phrases (romanji) Complete Japanese translations including Japanese characters (kanji) and the Japanese alphabet (kana) Useful and interesting notes on Japanese language and culture Lots of colorful, fun and useful expressions not covered in other phrasebooks Titles in this unique series of bestselling phrase books include: Making Out in Chinese, Making Out in Indonesian, Making Out in Thai, Making Out in Korean, Making Out in Hindi, Making Out in Japanese, Making Out in Vietnamese, Making Out in Burmese, Making Out in Tagalog, Making Out in Hindi, Making Out in Arabic, Making Out in English, More Making Out in Korean, and More Making Out in Japanese.

Tuttle Concise Japanese Dictionary Samuel E. Martin 2013-02-05 Every serious student of Japanese needs a reliable and user-friendly dictionary in their collection. Tuttle Concise Japanese Dictionary, now with 30% more content, is a completely updated dictionary designed for students and business people who are living in Japan and using the Japanese language on a daily basis. Its greatest advantage is that it contains recent idiomatic expressions which have become popular in the past several years and which are not found in other competing dictionaries. The dictionary has been fully updated with the addition of recent vocabulary relating to computers, mobile phones, social media and the Internet. Other special features that set this dictionary apart include: Over 25,000 words and expressions including idioms and slang. User-friendly layout with main entries in color. Complete Japanese-English and English-Japanese sections. Romanized forms and the Japanese script are given for all Japanese words. A guide to pronunciation helps the user to pronounce Japanese words correctly. Different senses of each word are distinguished by multiple definitions.

The Spirit of Project Management Judi Neal 2017-03-02 Projects have always been essentially human endeavours. Large modern projects are generally highly complex, fraught with technical difficulties and supported by diverse, often apparently conflicted stakeholders. The spirituality that originally defined some of the great construction projects of the classical era surely has a role in project management today. The Spirit of Project Management explains the context for spirituality in projects and explores how it can be used to create a larger sense of purpose and achievement; to help encourage an esprit de corps amongst all those involved; to act as a touchstone for ethical and sustainable decision-making. This is a very pragmatic book. The first part includes an explanation and a variety of useful models for understanding the significance and value of spirituality in projects. Judi Neal and Alan Harpham devote the second part of the book to help you integrate these ideas into your day-to-day management of projects. Thus there are chapters on spirituality from the perspective of the individual, the project team, the project organization and even project management within a sustainable world framework. Read this book, use the ideas to help you articulate your projects; engage and sustain your project team and your stakeholders; and frame how you work in terms of your organisation, society and the environment.

The Inevitable Immigrant Frank Bergmann 2020-10 Having immigrated from the Federal Republic of Germany in 1969, Frank Bergmann taught at Utica College until 2014, when he retired as Walter D. Edmonds Distinguished Professor Emeritus of English and German. This book describes how America impacted his life from 1945 and 1969 and what made him to stay. His story is a modern story of German immigration to the Utica area.

Frank Kane's Taming Big Data with Apache Spark and Python Frank Kane 2017-06-30 Frank Kane's hands-on Spark training course, based on his bestselling Taming Big Data with Apache Spark and Python video, now available in a book. Understand and analyze large data sets using Spark on a single system or on a cluster. About This Book Understand how Spark can be distributed across computing clusters Develop and run Spark jobs efficiently using Python A hands-on tutorial by Frank Kane with over 15 real-world examples teaching you Big Data processing with Spark Who This Book Is For If you are a data scientist or data analyst who wants to learn Big Data processing using Apache Spark and Python, this book is for you. If you have some programming experience in Python, and want to learn how to process large amounts of data using Apache Spark, Frank Kane's Taming Big Data with Apache Spark and Python will also help you. What You Will Learn Find out how you can identify Big Data problems as Spark problems Install and run Apache Spark on your computer or on a cluster Analyze large data sets across many CPUs using Spark's Resilient Distributed Datasets Implement machine learning on Spark using the MLlib library Process continuous streams of data in real time using the Spark streaming module Perform complex network analysis using Spark's GraphX library Use Amazon's Elastic MapReduce service to run your Spark jobs on a cluster In Detail Frank Kane's Taming Big Data with Apache Spark and Python is your companion to learning Apache Spark in a hands-on manner. Frank will start you off by teaching you how to set up Spark on a single system or on a cluster, and you'll soon move on to analyzing large data sets using Spark RDD, and developing and running effective Spark jobs quickly using Python. Apache Spark has emerged as the next big thing in the Big Data domain - quickly rising from an ascending technology to an established superstar in just a matter of years. Spark allows you to quickly extract actionable insights from large amounts of data, on a real-time basis, making it an essential tool in many modern businesses. Frank has packed this book with over 15 interactive, fun-filled examples relevant to the real world, and he will empower you to understand the Spark ecosystem and implement production-grade real-time Spark projects with ease. Style and approach Frank Kane's Taming Big Data with Apache Spark and Python is a hands-on tutorial with over 15 real-world examples carefully explained by Frank in a step-by-step manner. The examples vary in complexity, and you can move through them at your own pace.

The Compact Edition of the Oxford English Dictionary: Complete Text Reproduced Micrographically: P-Z, Supplement and bibliography 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933.

Empirical Studies on Economics of Innovation, Public Economics and Management Mehmet Huseyin Bilgin 2017-03-06 This volume presents selected papers from the 18th Eurasia Business and Economics Society (EBES) Conference, with major emphasis placed on highlighting the latest research developments in the economics of innovation, public economics, and management. The articles in the volume also address more specialized topics such as luxury fashion, weather derivatives, health management, islamic bonds, and life satisfaction, among others. The majority of the articles focus on phenomena observed in the Middle East and North Africa (MENA) region and South Asia, representing a unique contribution to understanding contemporary research challenges from a different perspective.
