The cover of The Story of Big Cities

The Story of Big Cities James McMenamin 2008-01-01
The *Midwife of St. Petersburg* Linda Lee Chaikin 2009-01-21
The Flames of Love and Revolution... It is Czarist Russia, 1914. Karena Peshkev dreams of escaping her family’s country estate and attending medical school. But each year, as she watches her hopes of being accepted to the Imperial College of Medicine slip further away, she much content herself with working alongside her mother, the village’s Jewish midwife. On a visit to her cousin’s sumptuous mansion, Karena gets a taste of Russian high society–and meets Colonel Aleksandr Kronstadt. Their attraction is immediate, but they can never act on it. Alex is meant for Karena’s cousin, the general’s daughter, a superior match politically and socially. But when the accusations of Bolshevik conspiracy tear her family apart, Karena and her mother flee to St. Petersburg. The Okhrana–the Russian secret police–are convinced Karena is a Bolshevik traitor, in league with the rebel party’s leader. Certain she is guilty of murder and assassination, they’re determined to hunt her down. Alex risks his career and his life to protect her from afar, but will it be enough? Will he find her in time to save her from false accusations–and declare his love? Vibrant with historical detail and richly woven themes of danger, romance, and God’s faithfulness, *The Midwife of St. Petersburg* is an eloquent tale portraying the beauty and madness of a country that is about to change forever.

The Swiss Family Robinson (Diversion Illustrated Classics) Johann David Wyss 2016-06-28
A beloved adventure classic, *The Swiss Family Robinson* is a tale of courage in the face of the unknown that has endured the test of time. Trapped on a remote island after a storm leaves them shipwrecked, a Swiss pastor, his wife, and their four sons must pull together if they want to survive. Hunting, farming, and exploring a strange land for the first time, each son not only tests his own bravery, but discovers a skill all his own as they each adapt to this new, wild place. Full of wonder, revelation, and invention, this timeless adventure story has sparked imaginations of readers young and old for generations. Featuring an appendix of discussion questions, this *Diversion Classics* edition is ideal for use in book groups and classrooms. Mr. Ives’ Christmas Oscar Hijuelos 1996-08-30
Hijuelos’ novel tells the story of Mr. Ives, who was adopted from a foundling’s home as a child. When we first meet him in the 1950s, Mr. Ives is very much a product of his time. He has a successful career in advertising, a wife and two children, and believes he is on his way to pursuing the typical American dream. But the dream is shattered when his son Robert, who is studying for the priesthood, is killed violently at Christmas. Overwhelmed by grief and threatened by a loss of faith in humankind, Mr. Ives begins to question the very foundations of his life. Part love story–of a man for his wife, for his children, for God–and part meditation on how a person can find spiritual peace in the midst of crisis, Mr. Ives’ Christmas is a beautifully written, tender and passionate story of a man trying to put his life in perspective. In the expert hands of Oscar Hijuelos, the novel speaks eloquently to the most basic and fulfilling aspects of life for all of us.

Amazon Bruce Parry 2008-10-02
Explorer Bruce Parry is embarking on yet another epic journey: down the Amazon - the world’s greatest river, its largest forest, the most bio-diverse habitat on the planet and home to some of the last uncontacted tribes left on Earth. It’s one hell of a trip, as Parry travels over 6,000 kms by foot, light aircraft and boat to meet and live with tribesmen, coca growers, loggers and illegal miners. Written in diary form, Amazon gives a rare insight into the ways of life that have existed since the dawn of time and are about to disappear forever. Illness, accidents, and all manner of unforeseen mishaps test Parry’s strength every step of the way, but fans will know from *Tribe* that this man’s thirst for new experiences, and his amazing resilience, knows no boundaries. Armchair travel and adventure doesn’t get any better than this.

Misadventures with a Duke Angel Payne 2022-01-25
Could his past be the key to her future? Even optimists have bad days, but Raegan Tavish’s streak has lasted for weeks. The rising star of fashion stylists is dealing with both a bad break-up and a creative slump, so apartment sitting for her lovebird friends feels like a way to realign karma—until fate has its say. As soon as Bastien De Leon steps out of the giant wardrobe in his brother’s master bedroom, Raegan knows what kind of complication has just struck her life. The cabinet is no normal piece of imposing furniture. It’s a time travel device, and it’s just brought this stunning warrior forward by over two hundred years. But why? On a quest to return Bastien back to the time in which he belongs, Raegan already knows she will be forever changed by this arrogant duke and his irresistible passions. But what if Bastien’s intrusion isn’t just a visit? What if this man is here to awaken something new inside her...and change the course of her existence forever? Misadventures is a romantic series of spicy standalone novels, each written or co-written by some of the best names in romance. The stories are scandalous, refreshing, and, of course, incredibly sexy. They’re the perfect bedside read, a ‘quick blush’ for the reader who loves a page-turning romance.

Conduction of Heat in Solids Horatio Scott Carslaw 1973

Maeve’s Times Maeve Binchy 2013-09-12
'Maeve’s Times is funny and clever and kind, which are excellent qualities in both books and people' Irish Times
'As someone who fell off a chair not long ago trying to hear what they were saying at the next table in a restaurant, I suppose I am obsessively interested in what some might consider the trivia of other people’s lives.' Maeve Binchy is well known for her bestselling novels, but for many years Maeve was a journalist. From 'The Student Train' to 'Plane Bores' and 'Bathroom Joggers' to 'When Beckett met Binchy', these articles have all the warmth, wit and humanity of her fiction. Arranged in decades, from the 1960s to the 2000s, and including Maeve’s first and last ever piece of writing for the Irish Times, the columns also give a fascinating insight into the author herself. With an introduction written by her husband, the writer Gordon Snell, this collection of timeless writing reminds us of why the leading Irish writer was so universally loved.

Bruno Latour in Pieces Henning Schmidgen 2014-10-15
Bruno Latour stirs things up. Latour began as a lover of science and technology, co-founder of actor-network theory, and philosopher of a modernity that had “never been modern.” In the meantime he is regarded not just as one of the most intelligent—and also popular—exponents of science studies but also as a major innovator of the social sciences, an exemplary wanderer who walks the line between the sciences and the humanities. This book provides the first comprehensive overview of the Latourian oeuvre, from his early anthropological studies in Abidjan (Ivory Coast), to influential books like *Laboratory Life* and *Science in Action*, and his most recent reflections on an empirical metaphysics of “modes of existence.” In the course of this enquiry it becomes clear that the basic problem to which Latour’s work responds is that of social tradition, the transmission of experience and knowledge. What this empirical philosopher constantly grapples with is the complex relationship of knowledge, time, and culture.

Bagpipe Muzak Liz Lochhead 1991

Commoner Ritual and Ideology in Ancient Mesoamerica Nancy Gonlin 2016-12-01
Were most commoners in ancient Mesoamerica poor? In a material sense, yes, probably so. Were they poor in their beliefs and culture?

Certainly not, as Commoner Ritual and Ideology in Ancient Mesoamerica demonstrates. This volume explores the ritual life of Mesoamerica’s common citizens, inside and outside of the domestic sphere, from Formative through Postclassic periods. Building from the premise that ritual and ideological expression inhered at all levels of society in Mesoamerica, the contributors demonstrate that ideology did not emanate solely from exalted individuals and that commoner ritual expression was not limited to household contexts. Taking an empirical approach to this under-studied and under-theorized area, contributors use material evidence to discover how commoner status conditioned the expression of ideas and values. Revealing complex social hierarchies that varied across time and region, this volume offers theoretical approaches to commoner ideology, religious practice, and sociopolitical organization and builds a framework for future study of the correlation of ritual and ideological expression with social position for Mesoamericanists and archaeologists worldwide.

Paddington Treasury Michael Bond 1999
Recounts many adventures of a small bear, from the day the Browns find him at London's Paddington railway station, to the day they buy him a ticket to return to Peru for his Aunt Lucy's hundredth birthday.

The CD-ROM features full practice exam software plus an adaptive test engine.

Le Corbusier in Detail Flora Samuel 2007
This is the first book to give such close attention to Le Corbusier’s approach to the making of buildings. It illustrates the ways in which Le Corbusier’s details were expressive of his overall philosophical intentions. It is not a construction book in the usual sense- rather it focusses on the meaning of detail, on the ways in which detail informs the overall architectural narrative of a building. Well illustrated and containing several specially prepared scaled drawings it acts as a timely reminder to both students and architects of the possibilities inherent in the most small scale tectonic gestures. * Lavishly illustrated, with numerous in depth studies this book will be an inspiration to both students and architects * This is the first book to illustrate Le Corbusier’s philosophies through his use of detail * So innovative was Le Corbusier’s approach to design and so influential has he been on the current generation of architects that his work remains as relevant today as it ever did

Tombs of Anak Frank E. Peretti 2008-08-11
The Coopers rely on their Christian faith as they search for their father’s co-worker, who has disappeared in the cave-tombs of Anak

Birds and Nature Vol. 11 No. 1 [January 1902] Various 2021-03-16

While Rivers Run Maurice Walsh 2019
In this cozy Highland tale of fishing and romance we have the poacher Aleac, his fiery redhead niece Margaret, Norray the actress who has bewitched all the young gentlemen but hasn’t been captured herself, and Paddy Joe Long an Irishman whose lively personality brightens the book up. The story starts with a petty fight over Norray, the loser is left on the rocks and Aleac, who has been poaching, brings him home to be nursed by Margaret. But things start off on the wrong foot with Margaret when he wakes up and tells her, "I never did like red hair." Not the most promising start to a romance?

Workplace Bullying Andrea W. Needham 2004-09-01
You can call it corporate abuse, or mobbing, or workplace bullying, but the result is still the same - staff who become demoralised and lose confidence, staff who leave. Often ignored or swept under the carpet, it causes huge financial losses in the corporate world and robs companies of talent. The typical workplace bully is often near the top of a hierarchical organisation that uses job level and systems to reinforce power. The workplace bully often targets tall poppies, able people who might be competition for the bully. In this ground-breaking work, New Zealand human resource expert Andrea W. Needham takes a hard look at a very dubious workplace practice. Often described as ‘tough’ managers by their superiors, the workplace bully can destroy the career paths of many excellent employees.

The Little Red Car K. K. Ross 1990

Celtic Backstitch Helen Hall 2004
Incorporate ancient and evocative Celtic designs into a wide array of practical and pretty backstitch projects. From simple small-scale items such as bookmarks and sachets to more ambitious pieces, including cushion covers and curtain tiebacks, there is something to appeal to stitchers of any level. Every project is shown in an inspiring photo and accompanied by information on the type and amount of thread to use, a full-color pattern, detailed stitching instructions, the time it will take to complete the work, and plenty of practical tips. Background information on Celtic art, its history, and its influence on other cultures is also included. Waiting for Morning Karen Kingsbury 2011-07-06
“I’m afraid there’s been a car accident...” As Hannah Ryan waits for her family to return home from a camping trip, she realizes she has everything going for her—a husband other women admire, two charming teenage daughters, and a loving Christian home. As the sunny afternoon turns into twilight, her uneasiness grows along with the shadows. Then a car pulls into Hannah’s driveway, bringing two police officers...and devastating news that shatters her life forever. In the days that follow, Hannah struggles with unspeakable feelings of sorrow and rage—feelings that fuse into one chilling purpose for living: revenge against Brian Wesley, the drunk driver who has caused all her pain. In her fury, Hannah shuts the Lord out of her life. She’s determined not to forgive Wesley or the God who allowed this tragedy to happen. Can two caring people help Hannah rediscover her faith...before bitterness destroys her?

Mastering Microsoft Exchange Server 2003 Barry Gerber 2006-02-20
All the Documentation You Need for Successfully Deploying Exchange Server 2003
Author Barry Gerber shares his extensive real-world experience in easy-to-understand language in this comprehensive guide to Microsoft’s messaging and collaboration server. Mastering Exchange Server 2003 systematically and sequentially walks you through all the essential concepts of planning and design, installation, deployment, administration and management, maintenance, and troubleshooting. With detailed background information, clear step-by-step, hands-on instructions, and realistic examples, Gerber teaches you how to devise and implement a system that is just right for your environment. He then leads you to the next level with advanced coverage on reliability and availability, disaster recovery, security solutions, wireless access, and building custom e-mail forms for Outlook. Coverage Includes: Designing a new Exchange 2003 system Upgrading to Windows Server 2003 and Exchange Server 2003 Installing and configuring Exchange Server 2003, Windows Server 2003 as a domain controller, and Outlook 2003 from a customized server image Organizing Exchange users, distribution groups, and contacts Managing the Exchange Server hierarchy and core components Managing Exchange 2003 Internet services and services for Internet clients Installing and administrating additional Exchange Servers Performing advanced administration and management Ensuring Exchange Server reliability and availability Building Exchange Server system security Configuring wireless access to Exchange Server 2003 Creating and managing Outlook forms designer applications Exploring third-party applications for Exchange/Outlook clients and Exchange Server

Four Signs of a Dynamic Catholic Matthew Kelly 2014-12
As human beings we are constantly engaging and disengaging in everything we do. We engage and disengage at work, in marriage, as parents, in our quest for health and well-being, in personal finances, environmentally, politically, and, of course, we engage or disengage spiritually. If you walk into any Catholic church next Sunday and look around, you will discover that some people are highly engaged, others are massively disengaged, and the majority are somewhere in between. Why? What is the difference between highly engaged Catholics and disengaged Catholics? Answering this question is essential to the future of the Catholic Church. If we truly want to engage Catholics and reinvigorate parish life, we must first discover what drives engagement among Catholics. Matthew Kelly explores this question in his groundbreaking new book, and the simplicity of what he discovers will amaze you. Four things make the difference between highly engaged Catholics and disengaged Catholics: the four signs of a Dynamic Catholic. Whether you are ready to let God take your spiritual life to the next level or want to help reinvigorate your parish, The Four Signs of a Dynamic Catholic promises to take you on a journey that will help you live out the genius of Catholicism in your everyday life.

Birds and Nature, Vol. 12 No. 4 [September 1902] Various 2021-03-16

Surveying Fundamentals and Practices Jerry A. Nathanson 2011
"Surveying Fundamentals and Practices, Sixth Edition," covers up-to-date surveying technology without losing perspective of the need to provide students with a strong foundation in traditional surveying fundamentals. Through clear explanations and applied examples, the text presents the methods of measuring and computing distances, angles, and directions. It provides students with a firm grasp of modern equipment and office and field procedures related to horizontal control surveys, property surveys, topographic surveys, roadway curve calculations, and construction layout surveys. The sixth edition offers students a "user-friendly" text that they will be able to rely on as a meaningful learning tool in class and at home. Plus! A companion student website, "MyConstructionKit," is now available! MyConstructionKit is an online resource that offers a wealth of study tools to engage students for a variety of Pearson construction management, architecture, and civil engineering technology textbooks!

Vanished Splendor Robert Alexander 2017-03-07
A striking new coloring book depicting the richness of the last days of the Romanovs, allowing users to experience splendor, majesty, and mystery of lost Russia. Drawing from decades of work, travel, and research in Russia, Robert Alexander has created a stunning coloring book with every detail rooted in the rich, colorful history that was the glory of Imperial Russia. Depicting the grand world of Nicholas and Alexandra Romanov—from their imperial palaces, costume balls and gowns, to jewels and Faberge objets d’art, and the magical meadows and forests of their empire—Vanished Splendor is a treat for the eyes and a delight for history buffs. Infused with Robert Alexander’s deep knowledge and love of Russian culture and art and detailed by Christopher Bohnet’s intricate skills, the coloring book captures in soul and spirit the fascinating era of the Romanovs, where nothing was done until it was overdone. It is a coloring book like no other—and all it takes to bring that magical time to life is the stroke of a colored pencil.

Britain in Brief British Information Services 1963

Preludio BWV 846, para guitarra de diez cuerdas Eduardo Zudaire Belda

The Secret Art of Boabom Asanaro 2006-10-05
The success of The Secret Art of Seamm Jasani by Asanaro surprised many who wondered whether a little-known Tibetan movement system would be able to compete with yoga, Spinning classes, and tai chi. After several printings and thousands of Seamm Jasani converts, the secret is out. Seamm Jasani schools have cropped up across the country, thanks to the popularity of Asanaro’s book, and more people than ever are discovering Seamm Jasani. For students eager to continue learning about ancient Tibetan body movement arts, or for anyone curious about cutting-edge strength and spiritual training, *The Secret Art of Boabom* is a must read. A cross between martial arts and yoga, Boabom is an ancient system of relaxation, meditation, breathing, and defense originating in pre-Buddhist Tibet. The movements contained within the collective "Arts" of Boabom are designed to develop vitality and internal energy, as well as mind and body balance, which are achieved through movements of defense, self-healing, relaxation, and meditation. Boabom provides quick relief from stress, and improves focus and confidence, as well as physical condition and mental well-being. The Secret Art of Boabom includes detailed descriptions and more than three hundred instructional drawings of Boabom movements, as well as information about its positive effects. But The Secret Art of Boabom is more than just a how-to book. Combining the thrill of adventure nonfiction, the depth of history, and the profundity of philosophy along with the practicality of a guidebook, Asanaro offers this companion to those eager to explore the secrets of ancient Tibet in order to improve their health and well-being.
