Sociocultural Perspectives on Language Change in Diaspora David

R. Andrews 1999 This book is a sociolinguistic examination of the Russian speech of the American "Third Wave," the migration from the Soviet Union which began in the early 1970s under the policy of detente. Within the framework of bilingualism and language contact studies, it examines developments in emigre Russian with reference to the late Cold-War period which shaped them and the post-Soviet era of today. The book addresses matters of interest not only to Russianists, but to linguists of various theoretical persuasions and to sociologists, anthropologists and cultural historians working on a range of related topics. No knowledge of the Russian language is assumed on the part of the reader, and all linguistics

Cook with Jamie Jamie Oliver 2007-10-02 My guide to making you a better cook. I can't tell you how long I've dreamed about writing this book. It's the biggest book I've ever done, and I've really tried to make it a timeless, modern-day classic. Whether you're a student, a young couple, an established cook, or a novice, I'll take you through a whole load of simple and accessible recipes that will blow the socks off your family and any guests you might have round for dinner. There's information on the equipment that I think you should have in your kitchen, advice on how to recognize and cook loads of different cuts of meat, as well as on how to get the best

value and quality when you're out shopping. With all of us consuming more processed food than ever, it's a sad fact that most people just aren't confident enough to cook anymore. With this in mind, now is the time for you to get stuck in and reclaim your fantastic cooking heritage! You know what . . . if you're going to eat three times a day for the rest of your life, you might as well learn to cook properly and enjoy it! So roll up your sleeves and let me help you. P.S.: By the way, you should feel good about buying this book because every single penny I make from it will go toward training and inspiring young kids from tough backgrounds all over the world to have a career in food through the Fifteen Foundation. So on behalf of them, thank you.

activists and nationalists, internationally recognized Greek feminist leaders, Estonian pharmacologists and science historians, Slovenian 'literary feminists,' Czech avant-garde painters, Ukrainian feminist scholars, Polish and Czech Senate Members, and many more. Their stories together constitute a rich tapestry of feminist activity and redress a serious imbalance in the historiography of women's movements and feminisms.
